1. Appropriate Opening Ceremony and Announcements

The meeting was opened those present were welcomed.

2. Reading and/or Acceptance of Minutes from Previous Meeting

Minutes from the last meeting were posted in Facebook and were accepted.

3. Treasurer's Report

The meeting accepted the Treasures report. Good news was that the Insurance Company paid out our claim for the fridge!

4. Safety Reports

Tom Duncan gave a talk on balancing a single seat gyro on its main wheels as a training tool. There was a huge discussion on that topic afterwards. Tom also provided some handouts on radio communication when operating gyro.

5. PRA News

Nothing to report

6. The Chapter Website

No movement on the website as yet. The Secretary did find out that www.lonestarrotorcraft.com and www.lonestartrotorcraftclub.com, www.chapter-62.com www.chapter62gyros.com www.anahuacchapter62.com www.anahuacgyros.com, www.texasgyroclub.com are all available for \$11.99 per year. Note that www.texasgyros.com is NOT available

7. Project Progress Reports

All those members present were fully up to date, and most were responsible for the current updates on the Chapters current machines.

8. Plans for Next Meeting

The next Meeting will be held on Saturday March 19th at Anahuac. Hopefully more members will attend.

There being no further business the meeting was closed.
