Minutes of the Meeting held on March 19 2022

In attendance Richard Roper (President) Danny Whitten (Treasurer) Hilda Roper (Secretary), Chauncey Surry, Tom Duncan, Aziz Musa, Bobby Munroe, Keith Johnston, and Mao Obanyi.

Apologies for Absence were received from Jeff Franks

1. Appropriate Opening Ceremony and Announcements

The meeting was opened and those present were welcomed.

2. Reading and/or Acceptance of Minutes from Previous Meeting

Minutes from the last meeting were posted in Facebook and were accepted.

3. Treasurer's Report

The meeting accepted the Treasures report. Current balance \$4296.65

4. Safety Reports

Discussion took place on the caution needed when flying a side-by-side, especially in landing. Members also mentioned that a fixed wing pilot does not automatically have the skills to fly a Gyro, and many "custom and practices" have to be re-learned and this can take time.

5. PRA News

Bobby Ward has sent a mail advising all current PRA members that the website has been restored. If you did not receive the mail, it means you are not current in your PRA membership. Thankfully the PRA is back on track with Christine Toevs as President.

6. The Chapter Website

The Secretary reported the available URLs to replace the current www.gyrosaway.com. After discussion the meeting decided on www.lonestarrotarcraft.com, Cost is \$11.99 per year. The meeting requested that the new website be structured with menu options in order that posts can be better retrieved and organized.

7. Project Progress Reports

Chauncy briefly mention his plans for his Genesis Sport. Discussion followed on the adjustment of the 914 Turbo Charger wastegate. Also discussed was the identification of a Rotax by the valve colors. 912 green, 914 red and the 915 blue. It was noted that the 80/100 is also green

8. Plans for Next Meeting

The next Meeting will be held on Saturday April 16th at Anahuac. Hopefully more members will attend.

Reminder that the Bensen Days is next week!

There being no further business the meeting closed at 11.35am
